## EVERYTHING STARTS WITH CONTACTING US

As a first step, we analyze the needed products of our customers after getting in contact with them. After, We determine exact products that we have in our portfolio, which includes more than 3000 different product types.

*How does EBI EXPORT serves to clients?*

## ABOUT US

### ***Our vision***

We are focusing on the import and export of fast-moving consumer goods throughout Europe and worldwide.

### ***Our mission***

The customer is at the center of our strategy and we like to build up a long-term business relationship so it's profitable for everyone. We make sure that, all the times we offer competitive prices along with the best customer service.

### ***Our values***

Our priority is to create value for our customers and to respond to their expectations with quality and stability. Understanding our customers' needs fully, evaluating them with a broad perspective, and living continuously with a customer focus is part of our strategy and culture. All our fair relations, "win-win" principle of good faith and understanding and approaching to raise the profitability of our customers as well as to ensure that Turkey has a greater place in the world market is our goal.

Customer is our benefactor...
